Personnel Scheduler +
Work Force Scheduling Software

TAG INC.
Telecom Assistance Group, Inc.

PS+ is a Software Application specifically designed to assist in the scheduling of Telephone Industry Personnel

- Easy administration of daily vacation scheduling

- Automatic application of contractual vacation rules

- Tracks employee's vacation statistics

- Automatically backfills unscheduled vacation

- Full 16 month vacation calendar view

- Displays entire group's vacation and holiday status in one view

- Highlights over-scheduled and wish list days
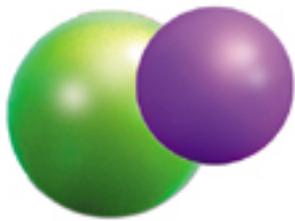

PS+ eliminates older scheduling tools and methods - paper calendars, spreadsheets, e-mail/o-mail, and manual distribution

Weekly Schedule ▼

- Automatically "populates" schedules weekly, quarterly or for the year

- Automatically rotates technicians into out-of-hours tours

- Incorporates vacations into the work schedule

- Tracks changes by "issue" number
