### Repair Return Label

Once the ticket has been created and submitted, if successful, the user will receive a **Repair Tag Number** and shipping document as shown in the example below.

- Please print **(3) three copies**, this allows the user to keep one, place one inside the box, and place one outside the box when shipping your tool/material for repair.
- Once you have completed printing all of your copies you can exit out of the Repair Return Label screen.
